**Saturday, April 30, 2022
Hollydot Golf Course, Colorado City**

It's time again for The PAWS for Life Annual Golf Tournament with all proceeds to benefit Pueblo's no-kill shelter. Since 1978, our mission has been to take in lost, abandoned and abused dogs and cats, provide the necessary veterinary care, vaccinations, spay or neuter them and adopt them to good homes or return them to their owners. We operate 100% through contributions, donations and volunteer services. The Annual Golf Tournament is one of our largest fund-raising activities and we know we can count on your support and participation.

Everything PAWS does is made possible through the **generous** support from many businesses and individuals just like you!
