

Dear friends,

Pints for PAWS will take place on October 14th at the beautiful Pueblo Union Depot. PAWS for Life is a "limited admission" NO-Kill Animal Shelter. Since 1978, PAWS has relied entirely on donations and fundraising. Funds raised at events like Pints for PAWS make it possible for us to provide animals needing a second chance the extra time and care that they need. They also help ensure that we are able to provide shelter, food, and necessary medical care while we prepare them for their forever home.

We hope that we can count on you to help us make this event our best one yet!  
Thank you in advance for your consideration.
